

BPA Energy Efficiency Weekly Announcements, April 12, 2012

Events

2012 Energy Efficiency Utility Summit – May 8-9, 2012

How time flies, in just over 3 weeks, BPA's Annual Energy Efficiency Utility Summit will be here! Many of you have already registered to attend, but there are more of you out there that still haven't signed up. For those of you that have not yet decided if you will be joining us in Portland on May 8th, please consider these conference highlights... [More](#)

Energy Smart Awareness Brown Bag

EE Central Project Update– Wednesday, April 25, 2012

The successful launching of EE Central is a top priority for BPA Energy Efficiency. The BPA EE Central project team has developed an integrated work plan to ensure EE Central is available later this year... [More](#)
